FOREWORD

Once again, I'm glad to be able to offer a varied selection of coins, that will have appeal to every collector.

The estimated prices are merely intended as a guide. With the unprecedented demand for coins and the steady rise in prices, the estimates given will, in most instances, be much too low by the time this catalogue reaches you.

Each month a new group of satisfied customers is added to my mailing list. I'm always glad to receive your want lists.

Whether "BUYING" or "SELLING" it will be worth your while to get in touch with me.

Thanks

ABNER KREISBERG
